Company Profile

Since 1998, Maintec Technologies has been providing mainframe outsourcing, data center management and IT staffing in the USA and overseas.

Maintec's headquarters and USA data center are located in Raleigh, North Carolina, and another data center is located in Bangalore, India's "Silicon Valley."

Maintec Technologies provides onshore data center outsourcing, mainframe colocation, and data center management services for enterprises that rely on IBM Mainframes (System z, Linux for z) and IBM Power Systems (IBM i, AIX, Linux).

Maintec Technologies provides a cost-effective and efficient way to develop, implement and run business-critical applications 24x7, without upfront capital investment.
